DETAILED ACTION

Information Disclosure Statement

The information disclosure statement filed 10/19/2001 fails to comply with 37 CFR 1.98(a)(2), which requires a legible copy of each U.S. and foreign patent; each publication or that portion which caused it to be listed; and all other information or that portion which caused it to be listed. It has been placed in the application file, but the information referred to therein has not been considered. The IDS shows two Foreign Patent Documents (DE 198 05 185 A and DE 198 32 561) listed but fails to provide a legible copy of said Foreign Patent Documents.

Response to Arguments

1. Applicant's arguments, see pages 12-17, filed 8/1/2003, with respect to claims 1-18 have been fully considered and are persuasive. The rejection of claims 1-18 has been withdrawn.

Allowable Subject Matter

2. Claims 1-20 are allowed.

3. The following is an examiner's statement of reasons for allowance:

The prior art doesn't show alone or in combination a electric motor, in particular, for raising and lowering panes in a motor vehicle, with a transmission, and a transmission housing, an armature shaft accommodated in the transmission housing, a brush holder with a plastic ring, wherein the armature shaft projects through the plastic ring, and control electronics located in the transmission housing, wherein said at least one printed circuit board is essentially rectangular, wherein said printed circuit board is

separate from the brush holder and is formed to be removable from the brush holder, and wherein the printed circuit board extends in a plane parallel to the armature shaft.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
